April will check her availability and get back to her.

The school programs and business ads were discussed. It was decided to sell the business advertisements at \$75 for business card size, \$150 for quarter page, and \$300 for half a page. The ads will be on each high school and junior high programs for volleyball, football, wrestling and basketball. Robin, Amy and Sue will contact local businesses concerning their interest in this advertisement possibility. All businesses purchasing a business membership will receive a Booster business member decal, receipt and thank you.

The Fall Scrimmage is scheduled for Friday, August 24th. It was suggested that we provide free watermelon to all participants and to locate the table in the grassy median at the west edge of the parking lot. It will be requested that prior to the introductions it be announced so that all parents/athletes are aware of this treat. Sue will see if Kevin Fleming can provide 20 watermelons.
