

Transportation Issues

Shuttle Times: Each evening the shuttle buses will depart Rock Creek at 5:45. There will be no shuttles when school is not in session.

Returning From Contests: For students wishing to ride home from events with parents, there will be a sign-out sheet provided by the coach. Students will **ONLY** be allowed to ride with their own parents, unless other arrangements have been approved by the Rock Creek Administration.

Arrival Times: There will no longer be phone messages from the bus drivers anticipating arrival times. Students can now use their cell phones to call parents with arrival times.
